

Government of India
Ministry of New & Renewable Energy

RE-INVEST

1st RENEWABLE ENERGY GLOBAL
INVESTMENT PROMOTION MEET & EXPO
15 - 17 FEBRUARY 2015 • NEW DELHI, INDIA

Making India the New Investment Destination for Renewable Energy
A Government of India Initiative

Confederation of Indian Industry

The Event

Government of India
Ministry of New & Renewable Energy

- Encourage '**Make in India**' – for manufacturing and generating energy
- Central theme - to **attract large scale investments for renewable energy sector in India**
- **First** major event for investment promotion in RE sector by Government of India, with active participation from the states
- Provide a platform to global investment community to **connect with stakeholders** in RE sector in India: central and state government officials of India, leading business leaders and top executives from the industry, academics and experts from around the world

Confederation of Indian Industry

Government of India
Ministry of New & Renewable Energy

The Objectives

- To project India as an **attractive investment destination** for RE
- To **bring foreign investment to new areas of RE** such as offshore wind, hydrogen, bio-fuels and geothermal while **further strengthening** solar and wind energy sectors
- To demonstrate **India's commitment** towards development and up-scaling of RE to meet its energy requirement while taking care of the environment

Confederation of Indian Industry

The Conference

Government of India
Ministry of New & Renewable Energy

- Plenary session:
 - Inauguration by Hon'ble Prime Minister of India
 - Addresses by high level national and international dignitaries
- Technical & breakout sessions
- Policy sessions by central and state governments
- Pre-arranged one-to-one business meetings
- Working panels and networking opportunities

Confederation of Indian Industry

The Exhibition

Government of India
Ministry of New & Renewable Energy

- Trade show with **300 – 350 companies**
- Showcase of:
 - Manufacturing capabilities
 - Latest technologies
 - Innovative financing options
 - Investment opportunities
- Representation from domestic and international manufacturers, project developers, investors, service providers

Confederation of Indian Industry

The Agenda

Government of India
Ministry of New & Renewable Energy

- **Interactions on key drivers of RE production and use** including:
 - Grid interactive renewable power
 - Policy and technical issues
 - Decentralised and distributed RE generation
 - Up-scaling global effort for technology development and transfer
 - Financing and investment
- **Sector-specific granulated discussions** on policies, incentives, compliance norms, timelines and other practical requirements

(contd...)

Confederation of Indian Industry

The Agenda

Government of India
Ministry of New & Renewable Energy

- **Current investment landscape** from different perspectives
- **Status of the RE development**, with focus on equity and credit financing, established and emerging commercial technologies, and renewable power generation
- **Expo** to showcase the industry's manufacturing capabilities and latest technologies to investors

Confederation of Indian Industry

The Market

Government of India
Ministry of New & Renewable Energy

- Favourable policy frameworks set by central and state governments to facilitate RE projects, such as:
 - **FDI up to 100% permitted** in RE generation and distribution projects under the automatic route
 - **Transfer of foreign technologies** encouraged
 - **Incentives** offered:
 - Capital subsidies, including for biomass and small hydro projects
 - Viability Gap Funding (VGF) for solar projects
 - Preferential tariffs, Feed-in-Tariffs (FiTs)
 - Generation-based incentives and tax benefits
 - Payment security mechanisms

Confederation of Indian Industry

The Participants

Government of India
Ministry of New & Renewable Energy

- Over **200 Indian and international investors** expected from:
 - Renewable power project developers and manufacturers
 - Bilateral and multilateral financial institutions
 - Indian Banks and non-banking financial companies (NBFCs)
 - Institutional investment companies
 - State government departments and renewable energy nodal agencies
 - Public Sector Units
 - Utility representatives and equipment suppliers
 - Other related stakeholders from the renewable energy sector
- Over **1,000 delegates** expected from across the world

Confederation of Indian Industry

The Organisers

Government of India
Ministry of New & Renewable Energy

- Ministry of New and Renewable Energy (MNRE), Government of India
- The Indian Renewable Energy Development Agency (IREDA)
- Confederation of Indian Industry (CII)
- Federation of India Chambers of Commerce and Industry (FICCI)
- Supported by leading industrial and sector-specific organisations including ASSOCHAM and PHD Chamber of Commerce and Industry
- More information:
